LODGE NOTES.

New Prospect Lodge No. 77 is doing nicely and the boys are well pleased with A. Clark as W. M.

Silver Trowel, No. 40, at Clarks-ville, I. T., is just fine and is a good set of boys and are pushing things through all O. K., with J. M. Rennie, W. M.

Stringer, No. 15, at Tahlequah, I. T., is not doing so well, but I think we have got the right boys behind it now and they are going to push the boys out.

Bethel, No. 91, at Beggs, I. T., is all O. K. and the boys are toeing the mark and sticking like glue. That is right, keep it up boys. Have got the right man in the right place. J. W. James, W. M.; L. C. Lumpford, S. W.; W. A. Green, J. W.

Mount Hope, No. 20, at Okmulgee, is doing very well, but not as well as could be, on account of some of the boys being in Kansas City. But never mind that boys, you must keep it a going and I think we will, for we have got the right boys. Tom Martin, W. M.; S. H. Cates, S. W.

Beaming Star, No. 19, at Lee, I. T., is a cracker-jack and is doing well, and everybody is satisfied and is thankful that they have got such a good set of boys. J. J. Jefferson, W. M.; John Rennie, J. W.; H. J. Colbert, S. W.

Fred Douglas, No. 62, at Grayson, is in good shape now, the boys have been bothered a little, but is all O. K. and everything is moving along nicely. A. Brown, W. M.; Charlie Hill, S. W.; A. Kelley, Sec'y.

Bristow, No. 74, at Bristow, is all O. K., but the boys are a little lazy and are not working hard. But we think the wheel is rolling now and will continue. J. W. Murry, W. M.

Eastern Light, No. 87, at Haskell, is all right, but the boys are slow. Boys, you must move up and get out of that state, which I believe you will. Jake McDaniels, W. M.; C. H. Smith, S. W.; G. Mitchell, J. W.

Star Light, No. 89, at Twine, I. T., is there with the goods and is doing well, and will do better when they move the hall to Taft, I. T., where they have bought a lot. Go ahead boys, you are right. F. W. Drirer, W. M.; C. A. Morrison, S. W.; J. A. Patrick, J. W.

GLOYD - LUMBER - CO.

TAKING THE STUMP

To tell about our lumber. It is put forward to win the approval of the lumber users of this section and when its good points are appreciated it will certainly do so. We see no satisfaction or profit in handling low grade stock. Neither will consumers when they learn that the finest lumber does not piece by the foot but by the inches.
